EB-L775U

4K Enhancement	3 YR	16:6	500 / 50
2,500,000:1	DICOM SIM	HDBaseT	2x HDMI
LASER	30,000 hours (Eco)	7000 lm	10 W
	WiFi® Optional		

7,000 lumens brightness fixed lens laser projector, an ideal use for education, businesses and visitor attractions environments.
Exceed your vision with Epson compact 3LCD technology laser projector, delivery sharp and smooth 4K images. The EB-L775U delivers effective, practical and creative display applications across a number of different industries.

Bright, cost-effective display solutions
Providing higher quality image, more engaging and impactful displays even in brightly-lit environments, the EB-L775U offers impressive 7,000-lumen brightness, 4KE resolution and lens shift at an affordable price. The EB-L775U is capable to display from 50 to 500-inches, without any reduction in clarity or stunning detail.

Superior connectivity
This displays solution offers many ways to connect. BYOD connectivity with optional wireless or wired and HDBaseT. Offers MTR auto power-on function by HDMI signal detection. The EB-L775U comes equipped with future-proofed connectivity options including HDMI, HDBaseT and built-in media player. Compatible with iProjection software for easy connectivity with mobile devices and content sharing.

Effortless and flexible installation
360-degree installation without compromising the display quality and supports 21:9 and 16:6 ultra-widescreen, lens shift and HDMI output. For projector installs offers premium multi-projection features - options that you would normally expect to see in higher range or priced models. Edge blending combined optional ELPEC01 camera enables simple stacking/ tiling features. Also available in white.

Peace of mind and long-lasting durability
Project for longer with exceptional reliability and a longer usage life of up to 30,000 hours in Eco Mode (20,000 hours normal).
