

The Smarter Way to Install cable

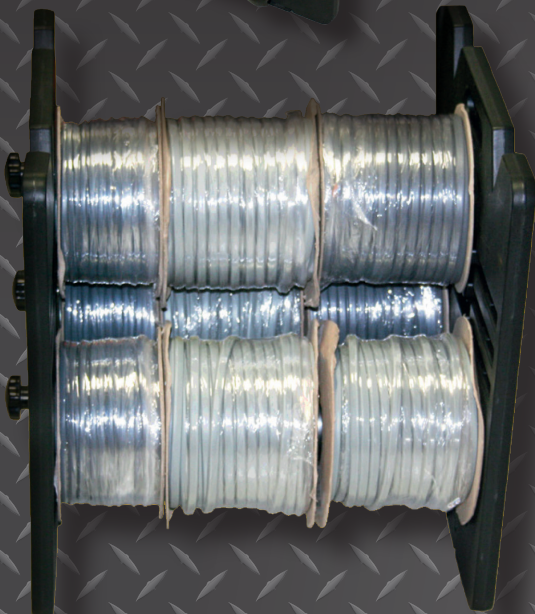

- The light weight design is easy to set up and folds away flat for convenient van storage and transport.

- The three poles provided, hold up to 70kg's of most standard cable sizes.

- The design, can also be used as a portable Pipe vice or works bench for general cutting or drilling applications.

- The handles enable you to move cable with ease, without dismantling your spooler.

- Rubber grips on the bottom stops it moving while dispensing cable.

Can be used with the Quikreel
sold separately
