HDMI ADAPTER RINGS

## Superio HDMI Adapter Rings

Superio HDMI Adapter Rings includes all adapters you'll need to make your customers happy. No more frustration and confusion when adapters are missing! Adapters for all common laptops, tablets and smartphones are collected in one secure and convenient solution. One HDMI cable with Superio HDMI Adapter Ring attached is all you need in each installation. HDMI Adapter Rings works with almost all HDMI cables, from 3mm - 40mm in diameter. The ring itself is made of stainless steel to ensure that it is maintained over time and are made for every day use. All adapters supports audio. Adapters for DVI, DisplayPort, Mini DisplayPort, Mini HDMI, Micro, USB Type C HDMI, Apple 30-pin connector and Apple Lightning are available. There is four different adapter rings available and they can all be customized to fit your needs.

Remember to use Superio HDMI cables with life time warranty for best performance.
